### ENVIRONMENTAL CARE

Siam Bayview Hotel takes its environmental responsibilities seriously and has initiated many "green" policies which include recycling programmes and sorting of recyclable waste. Only environmentally sound products are used, including phosphate-free laundry detergents.

At Siam Bayview Hotel, rainwater is directed from drainage pipes into reservoirs, properly treated and used for non-drinking purposes throughout the hotel. Siam Bayview Hotel has its own water treatment system, but even its treated water is still directed into the Pattaya City waste water treatment plant, so that none reaches the Bay or waterways of Pattaya.

### SEMINAR AND BANQUET FACILITIES

Siam Bayview's four meeting rooms can accommodate up to 200 people. The Atlantis Room with a sweeping view of the gardens offers a relaxing atmosphere for meetings and receptions. The Poseidon Room affords total privacy and like all function rooms, offers a wide range of audio-visual equipment. In addition, poolside parties and barbecues are a favourite with seminar participants.
